

BACK HOME AGAIN John Denver

There's a storm across the valley
the clouds are rollin' in
the afternoon is heavy on your shoulders
there's a truck out on the four lane
a mile or more away
the whinin' of his wheels just makes it colder

He's an hour away and riding
on your prayers up in the sky
And ten days on the road are nearly gone
there's a fire softly burning
supper's on the stove
there's a light in your eyes makes him warm

Hey, it's good to be back home again
sometimes this old farm
feels like a long lost friend
Hey, it's good to be back home again

There's all the news to tell him
how'd you spend your time?
and what's the latest thing the neighbors say
and your mother called last friday
'Sunshine' made her cry
and you felt the baby move just yesterday

chorus

G A7
And oh, the time that I can lay
D G
this tired old body down
Em A7 D D7
and feel your fingers feather soft upon me
G A7
The kisses that I live for
D G
the love that lights my way
Em G A7
the happiness that living with you brings me

It's the sweetest thing I know of
just spending time with you
It's the little things that make a house a home
Like a fire softly burning, supper on the stove
and a light in your eyes that makes me warm
